The Free Bastards Jonathan French 2021-09-28 The long-awaited war has come in the sweeping conclusion to the Lot Lands trilogy—another irresistibly swashbuckling, swaggering, foul-mouthed fantasy from the author of *The Grey Bastards* (“Nonstop action, though not for faint hearts.”—*The Wall Street Journal*). War has come to the Lot Lands—and Oats stands upon the frontline. The Hisparthan armies on the horizon are mighty, bolstered by divine champions, dread sorcerers, and gunpowder. It’s almost more than the half-orc rebellion can hope to repel. But Oats has won impossible fights before. He’s a thriceblood, after all, more orc than man. And he hasn’t forgotten how to kill. He’ll stack the bodies high for his chief and his brethren, if that’s the price of freeing the Lots from human tyranny. Besides, the invading forces are getting a damned sight more than they bargained for. They’re not facing a

handful of half-orc hoofs, but a true army—one forged from all the peoples of the Lots. At its head are Fetching, in full command of the ruinous power that runs through her veins, and Jackal, armed with the blessings of a dead god. Yet Oats can't help but find his faith wavering. Once the strongest Bastard, he soon realizes that in this battle, even the strength of a thriceblood is easily conquered. And after a grievous loss strikes, he begins to fear that this war will lead the Lots not to freedom but to ruin. So when another path to peace beckons, he has no choice but to walk it. Even if it means betting the Lots' fate, and his own, on the promises of the Bastards' wiliest adversary—and making a perilous journey into the heart of Hispartha itself. Brimming with all the epic battles, surprising sorcery, and fiendish twists a Bastards fan could wish for, alongside unforgettable moments for characters old and new, The Free Bastards builds a new future for the Lots—even as it gives our beloved trio of Jackal, Fetching, and Oats the rousing, blood-soaked sendoff they deserve.

Tom Hartley Tom Hartley 2021-03-16 The car world is full of fascinating characters, but few have a story to tell quite as remarkable and inspirational as Tom Hartley. Walking out of school at the age of 11, unable to read or write, Hartley set up his own business buying and selling cars. From that moment, he defied logic and ripped up the rule book on his way to the top. Today he runs one of the most successful independent family run performance and luxury car businesses in the world. He has built up an unrivalled reputation as "The Dealmaker." Tom has been at the top for over 40 years, survived and thrived through four recessions, and overcome three life threatening illnesses. In his own brutally honest words, Hartley tells his gripping story of a boy from a traditional Romany family who swapped the classroom for the cut-throat world of Glasgow's car auctions, buying and selling his first car at the age of 12. Having decided to drive himself around illegally, he was only 15 when he had his first car crash, and they don't come more spectacular than writing off a Ferrari Dino - nothing has ever been normal in the world of Tom Hartley! Hartley had made his first million by the age of 17, but soon suffered major setbacks as his business went bust, and he found himself at risk of losing his sight without major surgery. Hartley started all over again, living in a mobile home with his wife and working from the back of a car. He had gone from hero to zero, but his burning desire to be the best saw him climb his way back to the top. His ability to clinch deals in some of the most bizarre places has become legendary, like buying a car in a sauna, while stuck in a traffic jam on a motorway, and even in a swimming pool! Family has played a key part in the Tom Hartley story, his wife has been at his side all the way, and his two sons have followed closely in their father's footsteps. Indeed Tom's belief in family is one of the inspiring messages that comes through. Hartley's

inspirational story is about the unshakeable belief in his own abilities, from a precocious schoolboy who had a dream, and then through sheer hard work and a burning desire to make the dream come true. This is not just a book for car enthusiasts but for anyone who has dared to dream. It's a story that will inspire and motivate, and proves you can make the wildest dream come true if you want it badly enough. Tom's remarkable story is written with the collaboration of journalist Ken Gibson, for 24 years, award-winning Motoring
