That is a question that our society has become engrossed with now-a-days. Numerous books have been written and countless lectures have been given by health specialists on the importance of natural simple foods. They all state that we should try and consume more natural simple foods and try and apply holistic remedies for ailments, so as to lose our dependence on processed foods and chemical medication. However, what they are saying today, Islam has been saying since the time of Prophet Muhammad, peace and blessing be upon him. In this book the author relates numerous natural super foods and holistic remedies, which if applied to our every day lives, will not only help make our life become better, but will improve our over-all health dramatically. All that a person needs to live a better and healthy life has been discussed by the author and he shows how this is all related from the Qur'an and the Sunnah of the Last Messenger, Muhammad (peace be upon him). This book is a must for all those who wish to live a natural and healthy life. Whoever reads this book with an open mind will realize the importance that a healthy life style has within the Islamic faith. A life style that is encouraged by the Allah, the Lord of all Creation, and by His beloved Prophet Muhammad (peace be upon him).

A Treatise on Hijab SHAIKH MUHAMMAD BIN SALIH AL-UTHAIMEEN No one denies that the modesty which is commanded by Islamic Law and by convention includes the decency and decorousness demanded of a woman, and the kind of behavior that will ensure that she is kept far away from situations of temptation and suspicion. Further more, there is no doubt that the greatest act of modesty that she can perform is to wear the hijab, which covers her face. It is the best thing with which she can adorn herself, because it protects her and keeps her far removed from temptation.

Heaven Under Your Feet Umm Hasan bint Salim 2009 Whilst there is lots of advice-packed literature out there for the expectant mother, this book broaches the subject from the perspective of a Muslimah, addressing the thoughts and concerns of someone looking for an Islamic viewpoint on what is a unique and special moment in her life.

A History of Islam in 21 Women Hossein Kamaly 2019-09-26 Khadija was the first believer, to whom the Prophet Muhammad often turned for advice. At a time when strongmen quickly seized power from any female Muslim ruler, Arwa of Yemen reigned alone for five decades. In nineteenth-century Russia, Mukhlisa Bubi championed the rights of women and girls, and became the first Muslim woman judge in modern history. After the Gestapo took down a Resistance network in Paris, British spy Noor Inayat Khan found herself the only undercover radio operator left in that city. In this unique history, Hossein Kamaly celebrates the lives and achievements of twenty-one extraordinary women in the story of Islam, from the formative days of the religion to the present.

Islamic Banking A. Abdul Raheem 2013-07-31 Commercial banks and other financial institutions are an integral part of present economies. Individuals as well as public and private institutions can hardly operate without the institution of banking. Modern banking operations are primarily interest-centric. Banks receive money and lend it on interest. This is prohibited in Islam. Since interest permeates all the operations of the banking system, the whole banking system is repugnant to Muslims. Islamic banking – as an alternative to the Western capitalist banking system – prohibits any kind of speculation, interest, and immoral investments (e.g. casinos). Islamic banks have to make a profit. They do this by buying assets on behalf of the customer, who has to repay the loan and a fee for using the asset. When the loan is paid off, the asset's ownership is transferred to the borrower. The advantage of this arrangement is that the bank shares not only the profit but the risk as well. For this reason, it gets the opportunity to have a close look at the potential borrowers. This book deals with conceptual, theoretical and empirical framework of Islamic banking system. It also provides a performance review of Islamic banks in global perspective. More importantly, it explains and examines the practices of Islamic banking in India, focusing on issues and constraints. Finally, it suggests the need for establishment of Islamic banks in India and areas of further research in the subject.

Aisha Resit Haylamaz 2013-03-01 This book portrays one of the most significant personalities in the history of Islam. Taking the misunderstandings and defamation about her into consideration, Aisha needs to be understood correctly. This study by Dr Resit Haylamaz, an expert on the life of the Prophet and his leading Companions, reflects her life in various aspects based on reliable reports. The book clarifies her critical role at establishing the Islamic teaching, with particular reference to her role in the transmission of private matters concerning women and marital relations, as well as recording the authentic sayings of the Prophet. As her sensitivity at practicing religion is related in a rich variety of examples, much disputed issues like her marriage age and her stance about Ali ibn Abi Talib are covered as separate topics.

The Ideal Muslim Muhammad Al-Hashimi 2018-05-10 The true Islamic personality as defined by the Qur'an and Sunnah presents a comprehensive overview of the way in which the Prophet (peace and blessings of Allah be upon him) and his Companions lived. This picture of the practical aspects of a truly Islamic lifestyle serves as a timely reminder for all of us. At a time when unIslamic and antiIslamic influences are spreading, via modem technology, to the heartlands of Islam and even to the remotest regions, a Muslim needs to hold firm to the distinct character of our faith, as prescribed by Allah and revealed through His Prophet (peace and blessings of Allah be upon him). Dr. Muhammad 'Ali alHashimi presents a wellthought out guide to the Islamic lifestyle. He starts with the Muslim's relationship with his Lord, which is the most important aspect of his life, and provides the foundation for all his other relationships. From there, he outlines how the Muslim should relate to every person in his life, starting with himself and his family, and moving on, by stages, to encompass every member of the community or society. Each point is supported by extensive quotations from the Qur'an and the Sunnah of Prophet Muhammad (peace and blessings of Allah be upon him).

Stories of the Prophets Ibn Kathir 2016-06-15 ----- To Buy a Hardcover search for book with ISBN: 9781948117036 ----- God made the mountains and the seas. He made all the animals. He made the heavens and the stars. He made the sun and the moon and He made the angels. Then Allah decided to make a man. He called this first man Adam. He taught him many things so that Adam had more knowledge than the angels. There was one Jinn, called Iblis, the Devil. Iblis tried to

compare himself to Adam. He believed that he was more honorable than Adam. Therefore he abstained from prostrating even though Allah had commanded him to do so. Adam was surprised by this creature, Iblis who abhorred him without even knowing him and who imagined himself better than Adam without having proved that he was worthier. Allah gives His commissioned creatures' absolute freedom even to the extent that they can refuse His commands. Allah grants them the freedom of denial, disobedience, and even disagreement with Him. His kingdom will not diminish if the disbelievers do not believe in Him nor will it be extended if many people believe in Him.

SELF DEVELOPMENT Khurram Murad

The Ideal Muslimah Ibn Kathir 2018-02-15 The Ideal Muslimah This an incredibly sane book, which can help a woman (who is truly female), keep her head on straight and not get lost in a very dangerous game where she only stands to lose. Satan will try to convince women that they have the right to challenge the boundaries of their existence. This book more than anything can help a woman become a decent, loving, compassionate and honest person, which is a huge challenge for most people. This is an excellent book to not only have as a reference book, but to read many times. The book covers everything from the relationship to Allah (God), hospitality to Marriage and family.

My Advice to the Women Umm 'Abdillaah al-Waadi'Iyyah 2006

Commanders Of Muslim Army Mahmood Ahmad Ghadanfar 2001-01 There was a time when Muslim warriors were the symbol of terror for the enemies of Islam and humanity; though they were also considered as the protectors of righteous, surrenders and aged. Even the women and children of enemies use to feel safe under their canons. This is why Islam spread rapidly on the earth because these leaders were trained by the Prophet Muhammad (Peace and Blessings of Allah be upon him). This book will tell you about the life stories, moderation, significance, valour, eloquence, faith, steadfastness, sense of justice and winning strategies of more than twenty five (25) brave commanders of Muslims. Who fought for Islam with less soldiers and arms but their strategies made them able to raise their flags against their huge enemies even ten (10) times greater in number than them. These commanders includes: 1) Khalid Bin Waleed 2) Abdur Rahman Bin Auf 3) Zaid Bin Harithah 4) Asim Bin Thaabit 5) Sa'd Bin Abi Waqas and many other.. Mahmood Ahmad Ghadanfar the writer of the book has quoted the incidents, Ahadiths and strategies in a thrilling way that motivates the Muslims. As one of them is here for your reference: Once during the training when the Prophet (Peace and Blessings of Allah be upon him) asked about the strategy to adopt in the battle, one of his Companion, 'Asim bin Thabit (May Allah be pleased with him) had stood up with his bow in his hand and replied: "When the enemy is a hundred yards away, we will use our bows and arrows; when the enemy comes closer, we will fight with our spears; when the spears break, we will have a hand to hand combat with our swords." When the Prophet (Peace and Blessings of Allah be upon him) heard this, he said: "Doubtless this was the way to fight a battle. Whoever wishes to take part in a battle should adopt the strategy of 'Asim bin Thabat."
