Bred for Love Revella Hawthorne 2015-04-21 In a world where humans are genetically designed, altered and sold for pleasure and breeding, a young prince of the powerful Cassian Dynasty decides to take a mate and sire heirs. Not wishing to saddle himself with royal and meddlesome in-laws, and a wife he would have no desire to bed, Prince Edward goes to Heritage Breeders, and finds far more than just a warm body to carry on his lineage. Percy is the result of a master DNA architect designing himself his own personal slave and breeder. Yet when his creator and Master dies, leaving Percy alone at the mercy of the callous stable masters and the new owner of Heritage, he fears his future. Afraid he'll be bought by a wretched old man or a deviant monster, Percy is terrified when he is dragged from his cell and presented to the most prestigious client Heritage has ever welcomed...a Cassian Royal. Prince Edward is immediately infatuated with the shy, nervous and enchantingly beautiful Percy, and claims him for his own. Yet not everyone is pleased by a royal purchasing a breeder, especially one like Percy, and tensions rise both in Heritage and in the palace. Torn between need, duty, a king's command and the innermost desires of their hearts, Edward and Percy are set on path that is anything but easy. Can Percy trust Edward with his heart as he does his body? Can Edward keep a angry king and unseen enemies away from the young slave who is steadily stealing his heart? And what happens when Nature takes its course, and Percy's true purpose is fulfilled?

Erotic and original, this sci-fi story grabs you from the first page and keeps you thoroughly involved until the last word. Ms. Santiago has come up with an alien story unlike any other and her imaginative style, world building and strong heroines, who always have a touch of humor, never cease to entertain. Ms. Santiago weaves a story so steamy you'll need to sit on a block of ice to keep from overheating! Each of these men is more alpha and sexy than the next. The heroine is strong, funny and would make a great best friend. I really loved this book and it has earned a spot on my keeper shelf. Trust me you definitely need to pick up a copy of Menagerie. But remember I did warn you thatit is so sizzling you'll feel like you're sitting in a sauna." --Lynda, Simply Romance Reviews ** 5 Flags: "WOW! Fantastic! Titillating, sexy, and OMG it's unfair that one woman can be catered to by so many men. Well, Lara, without being told, you've added another one to my keeper shelf. I could not put it down until I finished it. The lack of sleep was worth it! Can't wait for the next one." --Melisa, Euro-Reviews ** 5 Cherries: "Oh My Goodness! I LOVED this book! I've come to expect quite a bit from Siren Publishing and their authors since we started reviewing their books...and I have to say that Lara Santiago doesn't disappoint. I was sucked in from the beginning and was loathe to put this book down. even to feed myself! I thoroughly enjoyed this book from beginning to end, and was intrigued by how Lara Santiago brought about the happy ending that made me smile, and will no doubt do the same for you. Menagerie is a gripping, unique offering of the Sci-fi/Fantasy variety that will leave you hoping for more from this amazing voice in erotic romance." --Viscaria, Whipped Cream ** "This book has multiple partners, some bondage, and explicit sex. It is very well written and I enjoyed every minute of it. I was rooting for Valerie all the way. Valerie's behavior on the alien ship reminds us of the little troublemaker we all have inside. By the end of this story I was wishing for that happy ending that I felt they deserved. This book was so descriptive, it felt like a movie playing in my head." --Breia Brickey, ParaNormalRomance

As She's Told Anneke Jacob 2008-12-01 Winner of the National Leather Association's 2008 Pauline Reage Novel Award. Erotic bdsm romance. The ideal D/s relationship for Anders and Maia is nothing less than total power exchange: no games, no negotiations, no safewords. When the two stumble onto each other in an on-line chat room, the fire of their offbeat sexual desires ignites and draws them together for an explosive sexual encounter. For Maia, Anders offers the kind of firm and unyielding dominant she has only dreamed of. For Anders, his new sub is as deliciously erotic as she is submissive to his will. During the first weeks of their relationship, Anders lays down rules for his new possession, while Maia gradually hands over her autonomy, slipping into the obedience that is basic to her nature. Anders explores, manipulates and experiments on both mind and body, all of which she laps up in a continuous state of terror and joy. This beautifully written story depicts a master/slave relationship that is extreme, loving, creative, steeped in imagination, but embedded in the real world. In this passionate, private sexual reality, the balance of power tips only one way.

Acquainted With the Night Lesli Richardson 2020-12-08 I hated the military...and now I'm an alien's pet. I hated the Terran military. I didn't volunteer, either. Like so many others, I was drafted as cannon fodder in the senseless Terran war against the Algonquans. Not like I had much of a future ahead of me, though, without a rich family to pave my way or even pay for me to have a wife. Now, my entire ship's been captured. If what we've been told about the alien race is true, I'll never be seen again. I hope they don't eat me. Turns out the truth is far different than we were led to believe. The Algonquans aren't vicious, insectoid monsters, either. We're now their pampered pets...and they're using us to help replenish their population to win the war. You know, maybe this isn't the worst life after all. (MMMM, sci-fi, humans as aliens pets, m-preg.) Note: This book was previously published under my Tymber Dalton pen name.
