Great Commission, Great Confusion, or Great Confession? Lucas V. Woodford 2012-04-26 There is a great debate going on in the church today. It centers on one question: "What is the mission of the church?" From culturally relevant, emerging congregations to strategic methods of organization and outreach, many claim they have the answer. They say the mission must become "missional." Yet the churches of North America continue to struggle. Uncertainty is growing.

"What does it really mean to be 'missional'?" Competing claims abound. "Get the message out!" "Get the message right!" Great confusion has set in, particularly in the postmodern North American church. The Gospel is getting lost. Yet, throughout the ages, the creedal confession of the Holy Christian Church has carried her through uncertainty and struggle. The Apostles' Creed has steadied and stayed the mission of the church for centuries. It centers on the Gospel of Jesus Christ and the work of the Holy Spirit--the communion of saints, the forgiveness of sins, the resurrection of the body, and the life everlasting. This book celebrates the historic mission of the Holy Christian Church, and it invites the North American church to do the same.

God Betrayed Jerald Finney 2008-08-01 *God Betrayed* explains: (1) the biblical principles concerning government, church, and separation of church and state which one needs to know in order to understand the First Amendment and why it was adopted; (2) the history of the theological warfare in the colonies that eventually resulted in the adoption of the First Amendment; (3) how and why, soon after the ratification of the Constitution and the First Amendment, many churches subjected themselves to the state; (4) how the Supreme Court has used the First Amendment religion clause to remove God from practically all civil government affairs; (5) how civil government entices many churches to abandon their Supernatural and First Amendment freedoms; and (6) how churches in America can operate totally under God and free from any control by civil government. After graduating from college in 1970 and serving as an army officer in the Viet Nam conflict, Jerald Finney worked for the railroad and then started and operated a photography studio in Fort Worth, Texas. He was saved in 1982. God called him to enter the legal profession. He entered the University of Texas School of Law in 1990, and was licensed to practice law in 1993. Since that time, the Lord has guided his career. In 2005, he became lead counsel for the Biblical Law Center. This book is the result of his in depth studies of the issue of separation of church and state, the main issue which is addressed by the Biblical Law Center.

Who is truly at fault? Did these younger generations get dealt a bad hand? Or are they just selfishly abusing and carelessly handling what was given to them? *Insincere, Irrelevant, Invalid* seeks to shed light on what has happened to these younger generations and help readers understand exactly why there is such a rapidly growing schism between the Modern Church and the younger generations, while properly defining what Church is, who it is for, man's role, and why we Worship.

Purpose Driven Life Case of 16 Sr Rick Warren 2003-03-01 A groundbreaking manifesto on the meaning of life. The most basic question everyone faces in life is Why am I here? What is my purpose? Self-help books suggest that people should look within, at their own desires and dreams, but Rick Warren says the starting place must be with God and his eternal purposes for each life. Real meaning and significance comes from understanding and fulfilling God's purposes for putting us on earth. The Purpose-Driven Life takes the groundbreaking message of the award-winning Purpose-Driven Church and goes deeper, applying it to the lifestyle of individual Christians. This book helps readers understand God's incredible plan for their lives. Warren enables them to see the big picture of what life is all about and begin to live the life God created them to live. The Purpose-Driven Life is a manifesto for Christian living in the 21st century a lifestyle based on eternal purposes, not cultural values. Using biblical stories and letting the Bible speak for itself, Warren clearly explains God's 5 purposes for each of us: You were planned for God's pleasure, so your first purpose is to offer real worship; You were formed for God's family, so your second purpose is to enjoy real fellowship; You were created to become like Christ, so your third purpose is to learn real discipleship; You were shaped for serving God, so your fourth purpose is to practice real ministry; You were made for a mission, so your fifth purpose is to live out real evangelism. This long-anticipated book is the life-message of Rick Warren, founding pastor of Saddleback Church. Written in a captivating devotional style, the book is divided into 40 short chapters that can be read as a daily devotional, studied by small groups, and used by churches participating in the nationwide 40 Days of Purpose campaign this Fall, 2002.

Pop Goes the Church Tim Stevens 2008 Whether you're a regular attender, a leader, or have yet to step foot in a church, you may have questions about church that aren't being answered. How can the church remain relevant while communicating the unchanging integrity of God's truth? Author Tim Stevens makes an inspiring case for leveraging pop culture to reach out to people in the language of their lives. He offers a new perspective that gives relevance and impact to the church by using popular culture-meeting people in the real world with words, sounds and images that speak to them. He encourages us to get out of our comfort zones and look people in the eyes, meeting them wherever they are, relating to their problems and society's challenges-even celebrating pop culture, where there are exciting signs of spiritual seeking. Pop Goes the Church will open your mind to church in a way that breaks down walls, engages the culture and speaks to a generation that needs to hear good news. Book jacket.

After the Wrath of God Anthony Michael Petro 2015 This study demonstrates how Christian leaders and AIDS activists in the United States have posited HIV/AIDS as a religious and moral epidemic and asks how this understanding has informed cultural and political debates about prevention, healthcare, and sex education all over the world. Drawing upon archival research, oral histories, and textual analysis, this book maps the moral language regarding sexuality - and especially homosexuality - through which evangelicals, mainline Protestants, Catholic leaders, and gay and lesbian AIDS activists made sense of and responded to the epidemic.

The Great Challenge Ryan Nunez 2020-06-01 We are going to look at five specific ways that Jesus instructs his followers to love and your challenge is to try it out, to put it into practice and see what happens. Each challenge asks you to break through a barrier common in most people's lives with an uncommon act of love. Through the journey you will see what happens within the people you love and what happens within you. Living Jesus's command to love one another will transform your life. We are not talking about a feeling-based or emotional love... and neither was Jesus. We are talking about an action-based love. A radical love that stretches the bounds of comfort and rational thinking. It's the kind of love that can change the world.

The Dark Side of the Purpose Driven Church Noah Hutchings 2011-06-01 The author of this book, President of Southwest Radio Church Ministries, was the

member of a church that went from a mission in 1975 to the number two Baptist Church in Oklahoma in 2004. In 2004 his church adopted, through a new pastor, the Purpose Driven Church format. What happened at Pastor Hutchings' church has also happened to thousands of churches across the nation in changing from a traditional and fundamental doctrinal position to a contemporary and informal style of Purpose Driven Church service. Dr. Rick Warren works on the principle to attract the non-churched and non-Christians by a worship setting in which they would feel "comfortable". This would mean removing Christian traditional emblems like the cross, contemporary music, and informing the "old pillars" they could go if they did not approve. Dr. Warren has stated that he has "trained" or retrained 600,000 pastors in how to establish Purpose Driven Churches, which in many cases means to take over already established churches. As documented in this book, Dr. Warren has said that the five basic fundamentals of the Christian faith are too narrow, that fundamentalists are the biggest enemies we have, and we need to bring the Protestants, Catholics, Muslims, and all religions together to stop wars, heal the sick, and feed the hungry. Dr. Warren has ignored the advice of men like Charles Spurgeon who warned, "The devil's biggest lie is that we can win souls with entertainment". One of the problems facing churches that have gone Purpose Driven is that when the "old pillars" left, the remaining younger attendance provides little or no financial support and the church ministry suffers or ends. A tract based on chapter 12 of this book, "Is Your Church Going Purpose Driven, How Can You Tell", has been disseminated worldwide. Every church member, and especially pastors, should read about the other side of the Purpose Driven Church controversy presented in this book. Brother Hutchings says that the most frequent question they get from their nationwide listenership is, "Where can I find a good church."

Trojan Church Gregory R. Reid 2008-09 We Have Been Invaded. The modern evangelical church is even now undergoing a transformation that is changing its heart and soul and foundation completely. The FutureChurch is the deliberately designed dream of those moving the world toward globalism, "One World - One Religion." And while the church has run hare-like into trends, megachurch programs and media-driven movements, the New Age tortoise has come into the back door and planted within our walls the tares of deception and illusion that are transforming the church into a New Age Globalist apparatus and puppet from within. Be aware. Be prepared. The Trojan Church is here. Dr. Gregory Reid has been in youth ministry since 1975. He has served as a criminal justice trainer on occult crimes and crimes against children since 1987. He is a retired Private Investigator, an ordained minister with American Evangelistic Association, and is currently serving as a youth pastor. He is director of YouthFire Ministries, and holds an honorary doctorate from Logos Graduate School.
